SANSONE FAMILY PLAN TERMS

Sansone Air Conditioning will furnish service on the equipment described located at the address on the front page. Furnish all labor, parts, and materials to keep the equipment in operating condition, until deemed unrepairable or condemned by Sansone Air Conditioning at which time such condemned equipment shall be replaced by owner at owner's expense. This agreement is the entire contract between the parties. Parties agree to be bound by all terms and provisions of this agreement. Any and all work performed under this agreement shall be interpreted and enforced under these provisions. This contract shall be interpreted under the laws of Palm Beach County, Florida. Should any term of this agreement be deemed by a Court of competent jurisdiction to be unenforceable, such determination shall not affect the enforceability of the remaining provisions.

Service Hours: Monday thru Friday (8:00 AM - 5:00 PM), Saturday (8:00 AM - 3:00 PM). It is the homeowner's responsibility to schedule their prepaid maintenances. Maintenances do not roll over after the contract's annual period.

Sansone Air Conditioning reserves the right to inspect equipment prior to acceptance. Air conditioning system must be in good working condition prior to acceptance by Sansone Air Conditioning. Any conditions considered to be pre-existing are excluded from this agreement.

Customer is responsible for normal maintenance of equipment. Covered equipment shall not exceed the age of the building.

COVERED ITEM	WHAT'S COVERED ON SANSONE FULL COVERAGE PLANS	WHAT'S NOT COVERED ON SANSONE FULL COVERAGE PLANS
AIR CONDITIONING Outdoor Unit	Parts & Labor to keep the air conditioning system in operating condition, including 410a refrigerant, fan blades, capacitors, relays, transformers, reversing valves, unit valves, driers. Compressors, condenser coils, circuit boards and fan motors are covered ONLY IF under manufacturer's parts warranty.	Freon R22, inverter boards, maintenance items such as coil cleanings, sounds, oxidation, rust or corrosion, solar system components. Compressors, condenser coils, circuit boards and fan motors are NOT covered IF NOT under manufacturer's parts warranty.
AIR CONDITIONING Indoor Unit	Parts & Labor to keep the air conditioning system in operating condition, including r410a refrigerant, blower wheels, capacitors, transformers, drain pans. Evaporator coils, circuit boards and blower motors are covered ONLY IF under manufacturer's parts warranty.	Freon R22, Maintenance items such as coil & blower cleanings, filters (all types), sounds or odors, oxidation, rust or corrosion. Evaporator coils, circuit boards and blower motors are NOT covered IF NOT under manufacturer's parts warranty.
AIR CONDITIONING Components & Accessories	Standard mechanical or digital thermostats, electric heaters.	Refrigerant lines, ductwork, grills, damper systems, float switches, programmable thermostats, humidistats, WiFi thermostats, thermostat calibration, indoor air quality products.

Any material and work in addition to that specified in this contract will be furnished only on customers authorization and will be paid for by the customer as extras. This refers for complementary equipment and service.

For example, but not confined to the following:

- A) Repairs due to negligence or misuse
- B) Moving or relocation of the apparatus
- C) Work on repairs occasioned by the enforcement of existing or future building codes, building regulations, ordinances, union regulation, or state laws
- D) Work or repairs on equipment done by another Contractor while under service with Sansone Air Conditioning
- E) Sansone Air Conditioning will not be liable for loss or damage, consequential or direct, arising from the operation or failure of the equipment or its controls, or for work done on it by others or by manufacturers failure to honor warranties, labor delays, strikes, obsolescence, oxidation, or corrosion (rust), electrical power surges, water contamination, or fire

Sansone Air Conditioning will not be responsible for damages to floors, floor tiles, cabinets, counter tops, or the equipment itself which may occur due to the moving of equipment to make any necessary repairs, or water damage due to cleaning or repair of lines, drains, etc.

Sansone Air Conditioning will not be responsible for replacement or replacement cost of any serviced equipment and reserves the right to advise the customer when their equipment is obsolete and non-repairable unless stated on the face of the contract that replacement is included.

Sansone Air Conditioning will not be responsible for system design nor maintaining design conditions of air conditioning. Sansone Air Conditioning is not responsible to determine the source of high utility bills or any utility bill reimbursement due to a mechanical malfunction.

Sansone Air Conditioning shall not be liable for losses or defects arising out of vandalism, fire, flood, wind, war, riots, and acts of God. In such cases, the customer shall be charged for the parts and labor involved at the then current price for such items. No such parts or labor shall be furnished, however, without authorization of the customer.

Sansone Air Conditioning may at its own option cancel this Contract. In the event the contract is cancelled by Sansone Air Conditioning, the customer will be refunded 100% of unearned pro-rata premium. If this contract is terminated by the customer after three (3) days notice, then the customer will be entitled to a ninety (90) percent refund of the unearned portion of this contract less any claims made. The customer may terminate the contract upon written notification. Sansone Air Conditioning has the right to cancel the contract anytime unsafe conditions exist in serving covered equipment.

Renewal of Contract is at Sansone Air Conditioning discretion only. No service or work in progress shall be rendered on expired contracts.

This contract is transferable from one owner to another at the same residence for a \$50 transfer fee, upon written notification from the seller.

Note About Mold & Mildew: It is understood and agreed that Sansone (and Sansone's insurer) will be held harmless for alleged or actual damages/claims as a result of mold, algae, or fungus. It is understood that Sansone and Sansone's insurer will exclude all coverage, including defense, damaged related to bodily injury, property damage, and clean up expenses caused directly or indirectly in whole or in part for any action brought by mold, including fungus and mildew regardless of the cost, event material, product or workmanship that may have contributed concurrently or in any sequence to the injury or damage that occurs.
